Notes

Rental Offer by AUDIObrelloX e.K.

The rental offer is aimed at commercial enterprises, event organizers, and rental companies. Through our extensive network of rental companies, we are generally able to offer equipment in excess of our currently available rental stock.

In addition to dry hire, we offer the following additional services:

Cable flat rate
If included in the quotation/offer, all equipment supplied by us will be fitted with the necessary power, data, and audio cables within the respective rack or case.

Prep (inhouse)
If included in the offer, all consoles and devices supplied by us in the rack will be pre-configured as a ready-to-use system.

Setup (inhouse)
If included in the offer, this item includes, in addition to the standard pre-configuration (Prep), the configuration of show files, support by our personnel, and assistance with system setup.

Agreement on key rental terms with AUDIObrelloX e.K.

Software/Firmware
Equipment is on the latest stable version, unless agreed upon in advance.

Pricing
Current prices apply (ex works Baden-Baden) plus VAT, unless otherwise agreed.

Service Incidents
Resolution of service incidents will be invoiced at market-standard rate

Working Hours
Daily rates = 10 working hours. Overtime (from 11th hr) is compensated at 1.5x, and from the 14th hr at 2x the rate.

Failure
Unforeseeable technical failures are not grounds for rent reduction. Further claims are excluded.

Equipment Condition
Return in flawless condition is expected. Costs for extreme soiling/damage will be charged separately.

Insurance
Coverage applies only if the premium (1% of net rental cost) is charged. Third-party devices are excluded.

Loss/Theft
In case of intent/gross negligence, the renter must pay the full replacement value. Damage/loss must be reported immediately in text form.

XTRA. XPERIENCE. XCLUSIVE.

We are your reliable Partner for everything Pro Audio.
